JOINT APPLICATION

BCN Telecom, Inc. ("BCN" or "Assignor"), and Network Billing Systems LLC dba Fusion dba Solex ("NBS" or "Assignee") (collectively, "Applicants"), pursuant to Section 214 of the Communications Act, as amended,¹ and Sections 63.04 and 63.24 of the "Commission's rules,"² hereby request authority to assign certain interstate and international telecommunications customers and assets of the Assignor to NBS. This Application pertains exclusively to a limited subset of BCN subscriber assets. Upon approval of the instant Application, BCN and NBS will continue to operate under their respective Commission authorities.

¹ 47 U.S.C. §214.

² 47 C.F.R. §§63.04 and 63.24.

Applicants respectfully submit that this Application is eligible for streamlined processing pursuant to Section 63.03 and 63.12 of the Commission's Rules.³ With respect to domestic authority, this Application is eligible for streamlined processing pursuant to Section 63.03(b)(2)(i) because, immediately following the transactions, (1) Applicants and their affiliates, as defined in Section 153(2) of the Communications Act⁴ ("Affiliates") combined will hold less than a ten percent (10%) share of the interstate, interexchange market; (2) Applicants and their Affiliates will provide local exchange service only in areas also served by a dominant local exchange carrier not party to the proposed transactions; and (3) none of the Applicants or their Affiliates is dominant with respect to any service.

With respect to international authority, this Application is eligible for streamlined processing pursuant to Section 63.12(a)-(b) of the Commission's Rules, 47 C.F.R. §63.12(a)-(b). In particular, Section 63.12(c)(1) is inapplicable because none of the Applicants is a foreign carrier, or is affiliated with any foreign carriers and none of the scenarios outlined in Section 63.12(c) of the Commission's Rules, 47 C.F.R. § 63.12(c), applies.

In support of this Application, Applicants provide the following information:

(6) A description of the transaction - 47 C.F.R. § 63.04(a)(6):

BCN seeks to sell, and NBS, seeks to acquire, a limited subset of assets and business of BCN as an ongoing operation. Under the terms of the proposed acquisition, BCN will sell its interest in a limited subset of its customer base primarily comprised of commercial subscribers to NBS. Following the grant of the proposed transaction, NBS will serve this subset of former BCN subscribers and will continue to provide domestic (and international) telecommunications services to this subset of former BCN subscribers.

There will be no change in former BCN subscriber rates, terms or conditions as a result of this transaction. The transaction will be entirely transparent to former BCN subscribers. Applicants will notify all customers consistent with 47 C.F.R. § 64.1120(e)(3). A copy of the customer notice is attached hereto at **Appendix A**.

The proposed transaction entails a limited subset of BCN subscribers located in the States of Alabama, California, Florida, Georgia, Massachusetts, Michigan, New Jersey, New York, Pennsylvania, and Texas.

(7) A description of the geographic areas in which the Transferors and Transferee (and their affiliates) offer domestic telecommunications services, and what services are provided in each area - 47 C.F.R. § 63.04(a)(7):

NBS provides local exchange domestic and international interexchange telecommunications services, interconnected VoIP, and non-regulated services to residential and commercial and governmental institution subscribers, wholesale telecommunications network facilities and services to carriers, and switched exchange access services to interconnecting carriers, throughout the United States. NBS is an affiliate of Fusion Telecommunications International, Inc. that provides domestic and international telecommunications services.

BCN provides broadband services, traditional voice, as well as interconnected VOIP

services, including SIP trunking and hosted PBX services on both a retail and wholesale basis. BCN also serves residential, commercial, and institutional customers throughout the United States. BCN has no other affiliates providing domestic telecommunications services.

(8) A statement as to how the Application fits into one or more of the presumptive streamlined categories in this section or why it is otherwise appropriate for streamlined treatment - 47 C.F.R. § 63.04(a)(8):

This Application presumptively qualifies for streamlined processing pursuant to Section

63.03(b)(2)(i) because, immediately following the transaction: (1) Applicants, combined, will hold less than a ten percent share of the interstate, interexchange market; (2) to the extent that Applicants provide local exchange services or exchange access services in the United States, those services are provided only in geographic areas served by a dominant local exchange carrier that is not a party to this transaction; and (3) none of the Applicants or their Affiliates is dominant with respect to any United States' domestic service. 47 C.F.R. § 63.03(b)(2)(i).

This Application for assignment of domestic Section 214 authority also presumptively qualifies for streamlined processing pursuant to 47 C.F.R. § 63.03(b)(1)(iii). The proposed transaction is an asset sale that involves the transfer of the assets of BCN to NBS. The Commission has determined that transactions such as this that involve an asset acquisition, and not an acquisition of corporate control, do not raise the potential of competitive harm.⁵

(9) Identification of all other Commission applications related to the same transaction

47 C.F.R. § 63.04(a)(9):

Applicants are not facing imminent business failure.

- (11) Identification of any separately filed waiver requests being sought in conjunction with the transaction - 47 C.F.R. § 63.04(a)(11):**

There are no separately filed waiver requests being sought in conjunction with this transaction.

- (12) A statement showing how grant of the Application will serve the public interest, convenience and necessity, including any additional information that may be necessary to show the effect of the proposed transaction on competition in domestic markets - 47 C.F.R. § 63.04(a)(12):**

The proposed assignment of the BCN assets acquired by NBS serves the public interest and will cause no offsetting public interest harms. Therefore, the Commission should expeditiously approve the proposed assignment. The transaction will provide additional capitalization needed to expand services and operations, and enhance the company's ability to provide competitive telecommunications services to the public. Further, broad management experience will enable NBS provide added value to customers.

APPENDIX A

Customer Notice (Attached)

Notice of Carrier Change

April 20, 2017

Dear Valued BCN Telecom, Inc. Customer:

We are pleased to jointly announce that BCN Telecom, Inc. (“BCN”) and Network Billing Systems, LLC (“NBS”) have entered into a transaction and also wanted to clarify some points that may have been misinterpreted or caused confusion in connection with the insert in last month’s bill. First, BCN is not changing its name or its brand and will continue to provide services to its other customers who are not part of this transaction under its own name, BCN Telecom. Second, in March, NBS entered into an agreement with BCN to acquire certain assets and accounts of BCN that have historically been supported by Technology Opportunity Group, LLC dba “BCN Solutions Express” and “Solutions Express” (an independent sales agent for BCN). The transaction is subject to applicable regulatory approvals following which your services will be provided under NBS’s registered trade name “Solex” (as authorized), honoring all of your current contract terms with BCN.

Please rest assured that the transaction will not affect the services you currently receive from BCN. You will continue to receive your services with the same rates, features, terms, and conditions as you currently enjoy, while also gaining access to a full range of additional Solex telecommunications services.

Solex will automatically become your telecommunications provider upon final close and regulatory approval on or after June 1, 2017. This change will be completely seamless for you and you do not need to do anything in order for this to occur. Solex will take care of all the details and will be responsible for any change fees associated with transferring your account. However, it is important that you be aware of the following information. You are responsible for continued payment of your monthly recurring and usage charges throughout this period. Unless you have made arrangements on your own to switch your provider prior to the date that your services transfer to Solex, your account will be automatically transferred and your services contract assigned to Solex.

All preferred carrier freezes you may have had with BCN will be lifted for purposes of completing the transfer of your services to Solex and will then be reinstated by Solex. In the event you currently receive local services from an alternative provider other than BCN, you will need to contact your existing or new local service provider to reinstate your preferred carrier freeze. In addition any deposits or prepayments you may have paid to BCN will be transferred along with your account to Solex. Subject to the terms of your current contract, you have the option to select another provider. We value your business and we hope that Solex may continue to serve you. If you should choose another provider you will need to contact that carrier directly to arrange for that change prior to the transfer of your service to Solex. Please note it can take several weeks for a new carrier to make the switch and you may also incur service initiation fees from that provider such as service order, installations, and other similar charges associated with establishing a new service account.

In the event there are any changes to your services following the transaction they will be made in compliance with your contract, service terms and applicable federal and state regulatory requirements. Solex will be responsible for handling complaints filed, or otherwise raised, prior to or during the transfer of service process, along with all service and repair issues, or concerns related to your service.

Our mission is to continue to provide superior products and services to our customers. We want to thank you for your continued support. Welcome to Solex! We look forward to meeting all your long distance communication needs. If you have any questions or concerns regarding your service or this transaction you can contact Solex customer service at 800-585-6687.

Sincerely,

The Management Teams
